

# Journey to China 2011

*New Dates!*

Come explore China—and learn Chinese along the way! Taking a virtual tour of China, we start off our trip with a visit to Beijing, the capital of China. Next, we journey to Xian, home of the legendary buried terracotta army. We continue on to Sichuan and Gansu to visit the pandas and learn about the Silk Road. Finally, we'll journey to Yunnan, the beautiful "south of the clouds" province.

福

Children will learn practical Chinese phrases and every-day vocabulary while exploring the culture, geography, and history of this fascinating country. Both pinyin and Chinese characters will be introduced. Creative art projects, songs, and games will be integrated into the class activities to reinforce the vocabulary.
